I even want to know when I mention Lincoln Burrows and Michael Scofield. It really is. For those who don't know, it's the two main characters in the very popular drama, Prison Break. As its name suggests, the film revolves around the escape of two brothers with dramatic circumstances, intelligence and braver ones. Do you want to become these two characters in an extremely interesting game? In the previous section, you were an extremely intelligent, strong and courageous prisoner. You successfully escaped from prison. But for some reason, you're back in jail. The story of the prison break continues. This time, the level of difficulty is multiplied by the chain of prisons that have the strictest security systems. They have monitoring and protection devices. In particular, the guards are also very crowded and aggressive. It's all because you're a dangerous person and it's hard to deal with. Make the perfect plan and escape from the most serious prison under the police nose. Prison breakPrison Break in The Escapists 2: Pocket Breakout is a long process and must be carefully prepared. Practice at first, get used to life in prison. Make sure you are always present in attendance, complete all tasks and strictly follow the rules. Intertwined in it, learn how to design a prison to find a way to escape. When you are free, talk to other inmates or play sports. This helps the guards not to bother you and will make a good impression. Like real life, a prison break in The Escapists 2: Pocket Breakout will bring great risks, even death if you fail. First of all, a large and diverse prison system. There are about 8 different designed prisons. From prisons like downtown Perk to small security systems to a prison with a strict guard for notorious criminals or death row inmates like Rattlesnake Springs. All contain countless rooms, roofs, openings and underground tunnels. Find out and connect them on a safe escape route. In these prisons, you come across the strictest security systems with radar. With so many weapons, the guards are ready to fight if there's instability. To overcome these guards, in addition to defeating them, you can bribe them. It can be said, The Escapists 2: Pocket Breakout requires players to be calm, wise and understand the right opportunity 4 player local multiplayerOnce understand and sequence important factors, planning is much easier. More specifically, you can work with 3 other inmates to begin the journey. During obedient time in prison, secretly create and trade the things you create and hide. As mentioned, it is useful to have free time for conversation and sports. Building a good relationship, other prisoners will help you a lot in this rebellion. When the weather is appropriate, use whatever has accumulated to quietly escape. The objects you've hidden contribute to the creation of secret paths. So smuggle yourself through prison guards or bribe them, as well as prevent attacks and block targets. So you will always have the advantage and you will create an unprecedented prison break in history. At that time, the light of freedom will open and flood the darkness of the cold dungeons. Pixel GraphicsS Escapists 2: Pocket Breakout, graphics don't take up too much space. The game only has pixel graphics with the funny part of creating characters. You can create a character depending on your preferences from the beginning. However, the effects of the scene and the simulation of life in the game are truly remarkable. They do indeed describe life in prison with countless things to explore. You will meet the famous pictures of prison break series. MOD APK version The Escapists 2: Pocket BreakoutMOD featuresUnlimited MoneyUnlimited EnergyDownload The 2: Pocket Breakout MOD APK for Android Escapists 2: Pocket Breakout is a paid game. But the challenges the game brings are extremely interesting. In the link below the article you can download the game for free. If you're a fan of the movie Prison Break or love the Dalton brothers' silly plans, this is a game you can't miss. The Escapists 2: Pocket Breakout is a pretty interesting toy in which a player has to break out of prison. The creators of this game project is the company Team 17, which at the moment has released a large series of games about escape. Your main task is to escape from the toughest and sharpest prisons on the planet. You can create a personal criminal, figure out what his appearance will be like, as well as characteristics, and then go to a real crime. You will be able to become a real prisoner for a while: observe the regime, go to roll call, work hard and think about every step of your escape every day. The escape plan can be devised on their own, or together, after they have played alongside their comrades. Escapists 2: Pocket Escape is a fun and addictive strategy game that develops a multiple jailbreak theme. The sequel to the famous series will tell many unique stories, in each of which the player's character will have to get out of prison, overcoming dangerous obstacles and trials. And again, the player will be forced to explore the vast multi-storey prison in search of inconspicuous weaknesses in its defensive system. When going on reconnaissance through ventilation or dark underground tunnels, it is always necessary to remember that prison life goes according to its schedule, including roll call, working hours, walks and everything else. If suddenly the safety of someone is not counted, the escape will be ruined, and all preparations will have to be started again. Dreams of freedom move every prisoner. And in Escapists 2: Pocket Escape, they are the ones who will help true lovers of complex puzzles achieve a long-planned escape and finally enjoy the desired taste of freedom. It is not always appropriate for someone to plan such an event - the corporate regime opens up the possibility of a mass escape, which is even more interesting and difficult. In this version of the prison simulator, a lot of new features have worked that make the gameplay even more attractive. For the newcomers to escape, there are prisons with poor security, and for time-tested repeat offenders, real fortresses are provided where each corner is carefully monitored. In Escapists 2: Pocket Escape, you can buy and exchange things, and no one has canceled value extraction in battles. To solve serious problems often need considerable mental abilities, so pumping the skills of the figure will not only in the gym, but also in the library. The only crime here is to refuse to escape. Escapists 2 - a great simulator for Android, where you will escape from prison. Take control of one of the prisoners and think about yours. Plan. Explore numerous and varied prison games by studying rooftop plan, ventilation and underground tunnels. Follow the prison schedule on time come to roll call, follow a strict schedule and realize your dream of getting freedom. Play with your friends and think with them and develop your escape plan.
